*Sweet Sixteen - B.B. King
Walkdown Licks (parts 1 and 2)*

I decided to leave last week's lick up, in addition to adding a new one. This one is from the same song (**Sweet Sixteen**) and over the same part of the progression (m. 9 - 12).

They both have a jazz sound to them, and even though they are played over a V to IV chord walk-down, they suggest a bit more jazz in the chords.

Enjoy.
